SORT OF FILM

We have watched O'Brother. This film belongs to different sorts of film.

First, is it a detective film, because these men are searching for a treasure.

Second, it is a road movie, because these men walk a lot.

Third, this film is a comedy because there are some good jokes (for example when the men fall from the train) ; they are searched by the police.

Finally, this is a musical because these men are singing.

Mathieu, Josselin, Louison

Sort of film

The sort of film is a road movie, a comedy, a musical, and a drama.

The film is a road movie because the main character run for the treasure.

A comedy because the film is a gag film and a funny film.

A musical film because the main characters sing for the radio and a drama because the main characters runaway of the penitentiary for the treasure don't exist. "
