– A nice cup of England

On Monday 14 October, Glyn Jones showed us his play. The title of the play is A nice cup of England. The play took place in the meeting room. The characters are Mr and Mrs VeryEnglish and the queen. The queen is Aya. She was wearing royal clothes. Our favourite scene is when they had dressed Ercan. The doctor was crazy because when a surgeon operates, he must not leave the intestine out of the body and put them on his assistant Rudy. To conclude I think it's great and unusual

The play called A Nice cup of England was performed in the meeting room at school on Monday 14th of October. The characters are : Mr.VeryEnglish , Mrs VeryEnglish, the Queen, Reginald Smithers, Wiston Churchill, Johnny Halliday and the assissant of the doctor. Glyn Jones played the part of Reginald Smithers : he was wearing pyjamas and Mr. VeryEnglish was wearing a suit and a tie, he was carrying the Union Jack. The best scene is the last when the doctor operated Johnny Halliday. On stage there was a table and a portrait of Winston Churchill. It is a good play because it was very funny. Corentin C. – A nice cup of England The play took place on Monday 14th October at college la Platière. The main actor is Glyn Jones who plays the part of Reginald Smithers. In the play, there is Mrs VeryEnglish and Mr VeryEnglish. Mrs VeryEnglish was wearing a skirt, a shirt, a hat and a handbag. In her handbag, there is a dog. Mr VeryEnglish was wearing a shirt, a bow-tie, a collar, an umbrella and a hat. The Queen was wearing a kilt, a shirt and a hat. My favourite scene is when Reginald Smithers disguises the Queen, Mrs VeryEnglish and Mr VeryEnglish ... The play doesn't appeal to me because I don't understand everything. I think it's strange.

– A Nice Cup of England

On Monday morning Glyn Jones performed a play in the meeting room at 11:15 a.m. The play is called "A Nice Cup of England". Glyn Jones played the part of the main character. But there are also six students in the class who helped him. The people were all dressed up, there was the Queen of England, a couple, the doctor, the patient. My favourite scene was when Glyn Jones sent sweets. The play was funny, the characters were funny as they were disguised. This play is interesting because it is in English and we have learnt about English traditions.
