Le mercredi 15 décembre, les élèves de 5^{Â°} sont allés voir Wendy au cinéma. Cette sortie était organisée par Mme N'Gagué dans le cadre du cours d'anglais.

Après la séance, chaque classe a rédigé un commentaire en anglais.

5e2 : our opinion about the film : Wendy

The movie is good and beautiful . It's funny but sometimes it's sad too.

The main characters are Wendy and Peter.

Wendy is determined and very cute : she has got brown curly hair, blue eyes and a lovely smile. She has got two brothers, they are twins, they are protective.

James is kind. Peter cuts his arm, I think it's scary. James believes his twin Douglas is dead and he becomes Captain Hook. He is a Mastermind : he wants to kill the mother and the Lost children.

The mother is a sea monster and it's beautiful.

The volcano is enormous.

5e1 : our opinion about the film : Wendy

Wendy has curly hair. She is caring, courageous and determined. She likes playing. Wendy has two brothers : James and Douglas. They are twins. They are unruly children. James is cheeky. Douglas is cute, determined and courageous too.

James gets wicked and old.

Peter has got dreadlocks.

I think the movie is fantastic.

They speak a lot of English.

The mother (a sea monster) is creepy but protective. The children like her.
